DDP = Director's Development Program

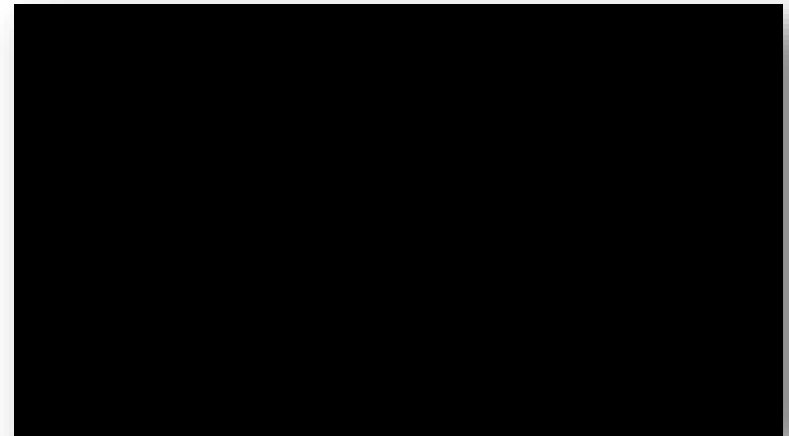

- Player development philosophy with a singular focus:

Developing Complete Soccer Players

- Basic Program Objectives
 - Encourage creative freedom in training and games
 - Reduce fear of failure
 - Promote individual player development over winning games
 - Rotate players among all positions
 - Ensure equal playing time
 - Reduce the labeling of players as “A” or “B”
 - Move players freely between teams
 - Provide appropriate competition levels
 - Maintain an appropriate ratio of travel to playing time

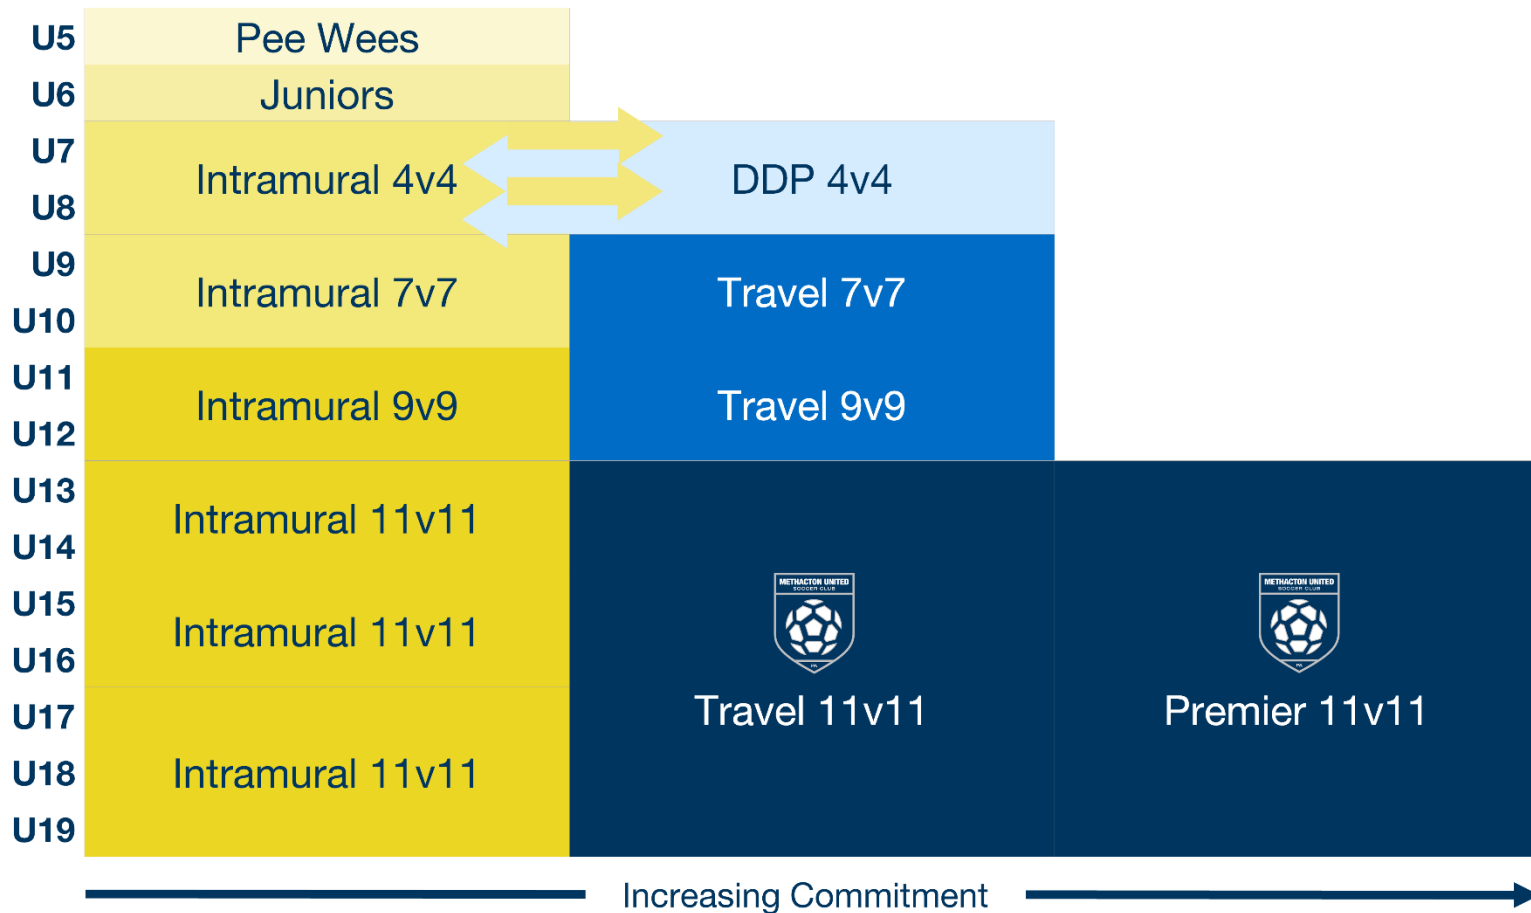

Why Small-Sided Play?

- In small-sided games, each player:
 - ...receives the ball more often
 - ...is always trying to score a goal
 - ...has the freedom to play
 - ...has the freedom to learn
- Comparing 4v4 vs. 8v8
 - 5x more ball touches
 - 135% more passes completed
 - 2x-3x more 1v1 situations
 - 260% more shots taken
 - 5x more goals are scored (every two minutes)
 - The ball is out of play only 8% of the time in 4v4
 - 14% in 7v7
 - 34% in 11v11
